WORK EXPERIENCE

I didn't have any work experience yet because I've just started my studies now, about **Web Development** and some other things related to Web Development. Now I'm working on my skills on different-different languages & Technologies like, PHP, React.js, Node.js etc.

PROJECT WORKS

I've made some small small projects likek **ATM Machine, TIC TAC TOE, a QR Code Generater, Weather Detector, finance Balance teller.**

I didn't work on any big project right now.
